It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

**Intent** - Curriculum design, coverage and appropriateness

**Implementation** - Curriculum delivery, Teaching (pedagogy) and Assessment

**Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

## Details with regard to funding

Please complete the table below.

Total amount carried over from 2019/20	£0
Total amount allocated for 2020/21	£19,406
How much (if any) do you intend to carry over from this total fund into 2021/22?	£0
Total amount allocated for 2021/22	£19,320
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£19,320

## Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p><b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b></p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p><b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.</p> <p>Please see note above</p>	<p>Due to pool closures and COVID-19 restrictions, these sessions did not go ahead. Our current Year 5's (2022) have been able to complete a full programme, between April and July 2022, this will be reported next year.</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	
<p><b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b></p>	
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?</p>	No

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

<b>Academic Year:</b> 2020/21		<b>Total fund allocated:</b> £19,320		<b>Date Updated:</b> 19 <sup>th</sup> July 2022	
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation: 1.6%
<b>Intent</b>		<b>Implementation</b>		<b>Impact</b>	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:		Make sure your actions to achieve are linked to your intentions:		Funding allocated: £300	Evidence of impact: what do pupils now know and what can they now do? What has changed?:
Children to have access to a minimum of 2 hours high quality PE lessons each week.		PE team to be monitored by schools senior sports coach. PE team should be focused on children being active for long periods of the lesson as well as receiving high quality provision.		£300	Children are active for around 80% of each lesson. General fitness levels throughout the school are good and improved as the year has progressed. Attainment for PE is above average.
<b>Key indicator 2:</b> The profile of PESSPA being raised across the school as a tool for whole school improvement					Percentage of total allocation: 14.8%

What has changed?:
					Sustainability and suggested next steps:

Run regular in house competitions and personal challenge lessons to promote competition within the school. All children regardless of age or ability to have access to at least 5 different competitions throughout the year.	Highlight which inter house competitions to run. Where possible these should run in line with PE curriculum. Sports leaders should assist with planning, managing and officiating events.	£800	All children have had access to a minimum of 5 competitions in school during the year. The has promoted friendly competition and helps promote the profile of sport within school	The school will continue to build competitions to our sporting calendar.
Encourage children to take part in external activities	Set up assemblies and book taster sessions with external clubs to promote outside groups and encourage children to take up sport outside of school.	£150	We have a growing number of children taking up grassroots sport outside of school. WE are also looking to set up out own evening and weekend coaching to provide further pathways next year.	Continue to work with external company to provide pathways for our children into clubs.
Winter and Summer School Sports Weeks	Building on the winter Olympics and in line with national school sports week, we intend to run 2 'sports weeks' at different times during the year. Each year group will have a whole day of activities on both weeks.	£1,800	Children had a fantastic time and it has helped raise the profile of PE in school. We used the power of Beijing winter games and the commonwealth games to help raise children's awareness.	We intend to continue this next year

What has changed?:	Sustainability and suggested next steps:
Invest in high quality resources to add to existing PE equipment.	Provide a PE audit to the Headteacher and dispose of any broken or unsafe equipment. Invest in new equipment to enhance provision of both PE and extra-curricular clubs.	£1,220	High quality resources are used daily during lessons and extracurricular clubs. This enables lessons to be taught to a good standard as well as ensuring they are active for a high proportion of the lesson	Sports leaders and PE staff to ensure equipment is looked after and accounted for to aid with ensuring future pupils have access to the resources.
Continue to offer a range of sport and performing arts activities at lunchtime.	Work with external company to deliver the clubs and track the number of children that are attending. Get pupil voice on which activities to run	£6,800	The number of children that regularly attend our lunchtime or after school clubs continues to be well above average. Football and is particularly popular. Children that attend clubs are also more likely to take up sport outside of school, helping them to lead active lifestyles.	The school are committed to sustaining extra-curricular clubs if the funding ends. We intend to develop our lunchtime activity further next year by offering more skill-based activities (linked to curriculum) as well as offering team specific sessions in preparation for events.

<p>Offer opportunity for all children to access after school sports clubs.</p>	<p>Offer children free or subsidised after school clubs to attend throughout the academic year. Some clubs may be changed depending on the season and popularity. Deliver assembly to children to promote clubs aiming to get as many children participating as possible.</p>	<p>£4,700</p>	<p>Approximately 45% of our children have attended at least one sporting after school club throughout the academic year.</p>	<p>Headteacher is committed to continue the running of after school clubs if funding is ended.</p>
